

The SIMA Journey

Unlock the Innovation Inside of You

Do you go to school to study or to learn?
They are not the same thing!

**“If you don’t study, how do you learn?
If you don’t learn, why do you study?”**

**Where is your future?
What future do you envision?**

**Your future comes from your innovation,
from your idea-driven life and
from your learning to be yourself!**

What can you study in school?

What can you study with your teachers?

- 👁️ Knowledge
- 👁️ Technical Skills
- 👁️ Research Strategies
- 👁️ Time Management
- 👁️ Logical Thinking

Please don't misunderstand me. These are all important!

What can't you learn in school?

You can't learn:

- 👁️ Creating Thinking
- 👁️ Outside the Box Thinking
- 👁️ Rule-Breaking and Risk Taking
- 👁️ Positive Thinking
- 👁️ How to Transform Yourself
- 👁️ How to Be Yourself

You Have a SIMA Journey

- 👁️ You have your own **S**-Story
- 👁️ You have your own **I**-Ideology
- 👁️ You have your own **M**-Methodology
- 👁️ You have your own **A**-Amazing Innovations

“Unlock yourself and take ownership of what you already have.”

What else do you need besides 'skills'?

- 👤 You need a voice.
- 👤 You need a persuasive voice.
- 👤 You need a passionate voice.
- 👤 You need a powerful voice.
- 👤 You need a distinct voice.
- 👤 You need YOUR voice.

“You already have a voice, you just need to raise your voice!”
